

PORTOROŽ, SLOVENIA 26-27 OCTOBER 2012

Life Long Learning for a secure nutrition future

EUROPEAN
FEDERATION OF
THE ASSOCIATIONS
OF DIETITIANS

**DIETS EFAD
Conference VI**

Co-funded by
the Health Programme
of the European Union

Final Programme

This conference in Slovenia will address the research and scholarly activities of new generations of dietitian, how learning can be sustained through new technologies and encouraged through continuing dietetic education (CDE). Life Long Learning is the responsibility of all healthcare professionals and especially in rapidly evolving fields such as dietetics and nutrition. Products of DIETS2 workpackages will be featured and European Specialist Dietetic Networks will be launched
