The scholarship application is submitted through the study information system (hereinafter TAHVEL) according to the deadlines specified in the academic calendar.

**3. Granting a scholarship**

- 3.1. The scholarship is paid by the College if the state has allocated a scholarship fund to the College when granting operating support.
- 3.2. Each academic year, the scholarship is awarded to at least the same number of matriculated students as in the previous academic year.

- 3.3. Scholarships are granted and paid to the student during the nominal duration of the College curriculum.
- 3.4. The amount of the scholarship is 100 euros per month.
- 3.5. As of the first day of the semester, the Performance Scholarship Committee (hereinafter *the Committee*) distributes the scholarships (number) granted to the College between the curricula in proportion to the number of full-time students at the end of the semester, based on the principle that each curriculum receives at least one scholarship.
- 3.6. The Study Department compiles the ranking of students who have submitted an application by the deadline on the basis of the weighted average grade of the previous semester, distinguishing between students after upper secondary school and students with compulsory previous vocational education.
  - 3.6.1. If a student's results from the previous semester consist of subjects for which the assessment method is non-differentiating, the weighted average grade of all studies is taken into account. In case of a non-differentiating result of the previous semester, the weighted average grade of the previous semester does not include the result of the official language test.
  - 3.6.2. A student who has completed academic leave can apply for a performance scholarship from the following semester if they meet the conditions listed in section 2.1.
- 3.7. If several students have the same weighted average grade in the previous semester in the ranking, the following will be used as the basis for compiling the further ranking:
  - 3.7.1. the weighted average grade of all studies (from the autumn semester of the second year);
  - 3.7.2. the share of learning outcomes achieved with the main performance in the previous semester;
  - 3.7.3. the share of learning outcomes achieved in the course of full-time studies (from the autumn semester of the second year);
  - 3.7.4. a reasoned proposal from the head of the respective study unit to the Committee to award a scholarship to a student selected from among students with equal results.
- 3.8. If there are no students on the curriculum whose weighted average grade exceeds 4.0, the head of the respective study structure unit has the right to make a reasoned application to the Committee for the payment of a scholarship to a student with a lower weighted average grade.
- 3.9. The Committee confirms the rankings of the scholarship by curriculum and proposes to the Rector to pay the scholarship retroactively from the beginning of the semester.

#### **4. Payment of scholarship**

- 4.1. Recipients of the scholarship are confirmed by a directive of the Rector of the College no later than October 10 in the autumn semester and no later than March 10 in the spring semester. The Rector's directive is communicated to students who have applied for a scholarship through TAHVEL.
- 4.2. The scholarship is transferred monthly to the personal bank account of the student indicated in the application no later than the 20th day of the following month, whereas February payment may be transferred in March and September payment may be transferred in October.
- 4.3. The College will terminate the payment of the scholarship and may award it to the next student in the order of priority approved by the Committee (for the remaining months of the respective semester) in the following cases:
